LUXE ROLLS

The first female professional joint roller, Grasshoppa, founder of Luxe Rolls and Luxe Roll Bar has been featured in High Times Magazine, Forbes, and Vice. She is sponsored by multiple paper brands, including Raw papers as an ambassador and creative roller. A member of the invitation only @National\_Joint\_League an elite rolling competition group that has pushed the boundaries of creative rolling to the extreme.

Grasshoppa's smokeable art range from a functioning full size cross-bow to the imaginative Wall-E masterpiece to the much sought after square and triangle innovative joints. After years honing her craft, she has created a luxury brand like no other- assembling her own team to craft quality from a connoisseur's perspective bringing a hand rolled experience to each cone.
